

Dear Families,

School Levies and Charges for 2025

Levies are one of the many ways that families contribute to our school community. Levies support student learning by contributing towards the cost of essential items and services.

When setting school levies and charges the school:

- considers inclusive education, community expectations and family financial constraints
- sets levies at the lowest amount possible
- consults with the School Association Committee for the school.

Levies will be invoiced in February 2025 and can be paid in Term One each year or can be paid in instalments using a payment plan. Payment plans are available for all families and may continue through to the end of the school year.

Families who are supported through the Student Assistance Scheme do not need to pay levies. Parents holding a Health Care Card, Low Income Health Care Card, or Pensioner Concession Card are eligible for STAS for their children.

Can I get help with school levies?

There are a range of options available to support families with the costs of schooling.

- You are eligible for the Student Assistance Scheme (STAS) if you hold a Health Care Card, Low Income Health Care Card, or Pensioner Concession Card. Once you have applied for STAS, you will not need to pay any levies. You may apply online (<https://www.education.tas.gov.au/parents-carers/parent-fact-sheets/fees-levies/>), or collect a paper application form from your school office.
- Families receiving STAS can access the Spectacles Assistance Scheme to support children who require spectacles.

If you are experiencing financial difficulty or financial hardship, and none of the support options above will work for your family, you can contact Kellie May, School Business Manager, on 6229 6637 or the Department of Education's Financial Services unit at Fin.Serv@decyp.tas.gov.au or on 1800 827 055.

Where can I access the School Levies and Charges Policy?

The School Levies and Charges Policy for our school can be accessed at our school website, under the parent/student information tab, Policies.

What will happen if I forget to pay?

Students will not be prevented from participating in any learning activities that are part of the curriculum if their levies have not been paid.

If your family has not paid their levies by the due date, and has not organised to pay in instalments, the school will be in contact to remind you that payment is due and will check to see if your family requires support. If your levies remain unpaid after the school has sent two follow-up letters, the matter will be forwarded to Finance and Budget Services within the Department for Education Children and Young People to be followed up.

Under no circumstances will payment of levies or charges be discussed directly with students.
