Parents & Friends
Fundraising Committee

Wednesday 19th February 2020

Dear Families

Our Parents and Friends Fundraising Committee are again selling bags of Cadbury Easter Eggs as an Easter Fundraiser in Term 1. Selling just 50 boxes as a school community will give us a \$1500 profit. Last year we sold over 90 boxes because getting involved is SUPER easy.

What:

The Cadbury Easter Egg boxes contain 20 bags of mini Easter Eggs and sell for \$4 each. You can order up to 2 boxes at a time. You can order more boxes as soon as the prior ones have been paid for. Email us to negotiate larger orders BBPS.pandf@gmail.com.

When:

This fundraiser will run from Wed 19th Feb until Wed 1st April, or until stock is sold out. Boxes of chocolates will be distributed to families as soon as the OPT IN slip below is received and chocolates are in stock.

OPT IN:

We acknowledge that there may be some families who are unable to participate in this fundraiser at this time. There is no pressure to participate. Please complete the slip below if you **DO** want to participate. Alternatively, you can email us the information BBPS.pandf@gmail.com. Each box sold equals one entry into a seller's prize (prize to be advised). Drawn Wednesday 1st April 2020 (no jokes!).

Money:

Please send the correct cash in an envelope with the student class name and box number clearly marked so your payment can be ticked off the list. Alternatively, funds can be transferred electronically **Account name: BBPSA BSB: 067-105 Account: 1052 7423 Reference: Easter and Your box number e.g. Easter#1**. If paying electronically, please Email us BBPS.pandf@gmail.com to let us know you have paid with the reference in the subject line, so we can tick you off the list. All money and any unsold bags of unopened chocolates are due back by Wednesday 1st April 2020.

Profits:

All monies raised are used to support our students. Financial support is provided through our School Association and includes swim programs, camps, band, excursions, online English and Maths programs and home reading programs to name a few, as well as towards our current main goal – The Playground Upgrade.

Warm Regards,

Gabby Hood & Sam Dobson
