

The Wave 2
21st February, 2020

Dear Families,

On Monday of this week we held our first P & F and School Association meetings for the year. I would like to thank everyone who attended, your support for our school is amazing. Welcome back to our regular faces and also welcome to our new members, Helen Kruup, Robert Rule and Anne Maree Kroon. Thanks you so much for making the time to attend. Office bearers were elected as follows:

Chairperson – Karen Sutherland
Deputy Chair – Judy Hunter
Secretary – Della Wells
Treasurer - Charles Courtney
P and F rep – Angela Yost

We look forward to working with you throughout the year. SAC meeting are held twice a term in weeks 3 and 8, with P and F meetings to be held once a term. Our School Association have already funded Athletics and Reading Eggs across all year groups with both of these programs easily accessible from home. As you can see we are always grateful of the support given by our parent bodies.

Today Mr Smith is out of the school attending the GRIP Leadership Conference with our Daily PE Leaders and SRC Executive team. This is a great opportunity for our school leaders to work together and gain some wonderful skills and experience in leadership. We congratulate all those who have been elected to these positions. They were not easily gained as all leaders had to address selection criteria and either present in a speech or in writing, the reasons why they should be elected. We look forward to you all developing your skills throughout the year. One of the first assignments for the DPE leaders is to assist at the school swimming carnival. I am always overcome with pride when I see our leaders in action at the pool – helping and supporting their team mates.

This year our prep PIPs testing in Literacy and Numeracy has had a name change. It is now called BASE testing and is being conducted Australia wide. It has had a more modern facelift which will make it more appealing and accessible to our young learners. Testing will begin in Mrs Smalley's class next week and Mrs Scott/Miller's classes in the following weeks. BASE testing is conducted at both the beginning and end of the year to track prep students' progress. Parents may access their student data when completed. Please contact your class teachers if you would like this to occur.

Just a reminder also that we expect students to wear school tops/polo tops. Hoodies and footy jumpers are not part of our uniform. Full uniform encourages us to be part of a team.

Kind regards
Della Wells
